

# ECCM Conference 2020

## WELCOME TO ECCM 2020

**Emmo Meijer** — Chair Topsector Chemistry – on behalf of Topsectors Energy, High Tech Systems & Materials and Chemistry

13.00 – 13.15

**Richard van de Sanden** — Chair national committee on ElectroChemical Conversion and Materials

## THE GLOBAL PERSPECTIVE

13.15 – 13.30

**Marjan Minnesma** — Director Urgenda, The Netherlands

13.30 – 13.45

**Jiang Kejun** — Director Energy Research Institute (ERI), National Development and Reform Commission, China

13.45 – 14.00

**Jochen Wermuth** — Climate impact investor, Germany

14.00 – 14.15

**Kathy Ayers** — Vice president R&D Proton Onsite, USA

14.15 – 14.45

**Open discussion** – with all speakers and questions to and from the audience

14.45 – 14.55

## RE-ENERGIZING BREAK

## NATIONAL INITIATIVES

14.55 – 15.10

**Paulien Herder** — Professor of Energy Systems, Delft University of Technology

15.10 – 15.20

**Tenure Trackers pitches** — PART 1

15.20 – 15.35

**Guido Mul** — Professor Photocatalytic Synthesis, University of Twente

15.35 – 15.45

**Tenure Trackers pitches** — PART 2

15.45 – 16.00

**Earl Goetheer** — Principal scientist process technology, TNO

16.00 – 16.10

**Tenure Trackers pitches** — PART 3

## REFLECTION AND ANNOUNCEMENTS

16.10 – 16.20

**Richard van de Sanden** — Chair national committee on ElectroChemical Conversion and Materials
